2018-2019 Professional Judgment Appeal Form

The Higher Education Act of 1965 authorizes the Director of Financial Aid to use professional judgment, on a case-by-case basis for students with "special circumstances" that affect a family's ability to pay for a college education that is not reflected in the information provided on the FAFSA. The Director of Financial Aid is expected and required to make reasonable decisions that support the intent of the provision. The decision of the Director of Financial Aid is final; there is no appeal process to the Department of Education. This form will be reviewed when the student's financial aid file is complete.
