

Suitemate/Roommate Agreement Card

By signing this card, we are all agreeing to live together for the 2016-2017 academic year and confirm that we have read the room selection information on the Office of Residence & Commuter Life website. We understand that if one or more of us fails to complete the Housing Selection paperwork by the deadlines, we will no longer be considered a complete suitemate/roommate group and will not be able to participate in Housing Selection. We also understand that the Housing Agreement is binding for the full academic year and once we select our placement we are each responsible for the associated housing charges.

Students may complete this card as a Roommate group = 2 persons, or a Suitemate group = 4 persons.

The Housing Intent Form must be completed by no later than Friday, March 18, 2016, and the Housing Agreement Form must be completed by the time your group selects housing on Saturday, April 2, 2016. If one or more members of the group cannot be present for Housing Selection Day on Saturday, April 2, 2016, each member must make arrangements with the Office of Residence and Commuter Life to complete the paperwork in person prior to selection day. Failure to complete one or both of the housing selection forms will result in an incomplete group and could hinder housing selection priority numbers.
