

The Fearless Gator Employee Garden

made possible with Cigna's Wellness Funding

June 28, 2017 – And our journey begins ... Kelly Harrison and Mike Hardy started us off by tilling and removing most of the grass in the area. Then our gardeners came in to clear the space – Wayne Bark, Donna Schissler, Kelly Hoover, Jen Pohler, Margo Cunniffe, Jen Gordon, Mary Priebe, and Marci Leadbeter – it only took them an hour to make significant progress!

Then came our compost day on July 11th, and boy was there a lot to move! Our dedicated gardeners, Kelly Hoover, Margo Cunniffe, James Lee, Jen Pohler, Wayne Bark, and Shannon Raum, came out and did some serious heavy lifting. When they finished, Kelly Harrison and Mike Hardy came back out with the tiller to get our soil ready for planting.

On July 12th, we were able to get all of our seeds and plants in, AND installed the fencing! A big thanks to Kelly Hoover, Margo Cunniffe, Jen Pohler and James Lee for their hard work!

We're growing tomatoes, zucchini, summer squash, peppers, melons, cantaloupe, pumpkin and cucumber. And Mona Weber snuck in and planted some chives too ☺
