DUAL ENROLLMENT

between

NOTRE DAME OF MARYLAND UNIVERSITY

ACADEMY OF HOLY ANGELS

I. Introduction

This document creates a Memorandum of Understanding (MOU) between Notre Dame of Maryland University (NDMU) and Academy of Holy Angels (AHA). The purpose of this MOU is to enable AHA and NDMU to work collaboratively in awarding dual enrollment credit for AHA students at NDMU and to allow AHA students to take college courses as dually enrolled students. The expectation of both AHA and NDMU is that dual enrollment will develop responsible, self-determined college-prepared learners. This Memorandum of Understanding is entered into as of April 19, 2023.

Dual enrollment is defined as a student who is simultaneously enrolled in both a high school and a college or university. The credits earned at NDMU may count as credit on the high school transcript and may also satisfy high school graduation requirements. AHA and NDMU agree that dual enrollment prepares students for success in college.

The cooperative program established by this MOU will be governed by the policies and procedures of BPI and NDMU, as well as applicable state and federal laws.

II. Terms of the Agreement

The term of this agreement shall be for a one (1) year period beginning (April 19, 2023) through April 19, 2024), unless terminated earlier as provided in this agreement. Thereafter, this agreement shall be automatically renewed for successive periods of one (1) year each.

Responsibilities of the Parties

AHA agrees to the following:

1. AHA will make all high school students who are eligible aware of the opportunity to dually enroll under this agreement.
2. AHA will pay the tuition and fees for the dual enrollment course as outlined in the Tuition and Fee section of this document in Appendix B.
3. AHA will record the course on the student's high school transcript.
4. AHA will approve the applications as detailed in Appendix A
5. AHA will provide NDMU with official grades for all courses AHA students take under the terms of this agreement as outlined in Appendix A.
6. AHA will identify appropriately qualified AHA faculty members to teach NDMU courses, subject to approval by NDMU.

NDMU will:

1. Enroll qualified AHA students in courses as outlined in Appendix A

4. Provide AHA with official grades for all courses AHA students take under the terms of this agreement as outlined in Appendix A.
5. NDMU will offer general dual enrollment courses in the high schools based on the availability of qualified AHA faculty members to teach the courses in the time frames requested by AHA, subject to approval of NDMU.
6. Retain the right to suspend or expel dually enrolled students.

AHA and NDMU jointly will:

1. Maintain a common unique student identifier for tracking purposes.
2. Coordinate parent information about the programs.
3. Cooperate in providing joint marketing materials and efforts to promote dual enrollment.
4. Cooperate to gather, report, and share assessment data each term, including:

Legitimate educational interests include those directly related to the academic environment. It is further acknowledged that NDMU is the custodian of a student's college records during the time that the student is enrolled in the institution.
