

Master of Science in Nutrition & Integrative Health Herbal Medicine AOC PLAN OF STUDY

Entering Class Fall 2020

This Plan of Study shows the sequence and schedule of courses in your program which are designed to optimize your learning opportunities and experiences, and to ensure timely completion of your program, and achievement of your professional and personal goals.

Students are expected to follow this Plan of Study. Failure to follow this plan may result in significant delays in completing your program, including limited course availability in some trimesters that could delay your progress and/or impact your financial aid eligibility.

If you are unable to follow this Plan of Study due to extenuating circumstances, it is your responsibility to immediately contact your Academic Advisor, who will guide you through the full impact of deviating from this plan and discuss the extent to which options exist for a modified Plan of Study. In this case, you are also responsible for verifying your remaining requirements, prerequisites and when courses will be offered.
