*The above scores were compiled directly from reports provided to Maryland University of Integrative Health (MUIH) and NDMU SOIH by the National Certification Board for Acupuncture & Herbal Medicine (NCBAHM).

** MUIH merged into NDMU as the School of Integrative Health in August 2025.

'N' represents the number of First Time Test Takers (FTTT) from accredited and candidate Accreditation Commission for Acupuncture and Herbal Medicine (ACAHM) schools, as defined and reported by NCBAHM. '%' represents the pass rate of FTTT. According to NCBAHM, less than 30 test takers per exams is not considered to be significant; MUIH and NDMU have had fewer than 30 test takers on all exams during the period 2021-2025.
