**PATHWAY
TO EXCELLENCE**

NOTRE DAME
OF MARYLAND
UNIVERSITY

SCHOOL OF PHARMACY

PATHWAY TO EXCELLENCE

Be recognized as an inaugural supporter of the School of Pharmacy—Notre Dame Fund by making your mark on the pathway to excellence in pharmacy education. Here is a special opportunity for current School of Pharmacy students, faculty, staff and friends to invest in the future of Notre Dame of Maryland University School of Pharmacy.

You can be a part of a united effort that demonstrates support of the School of Pharmacy by creating beautiful walkways for students, faculty, staff and visitors. Literally leave your mark on campus and send the message, “I am proud to be a part of the School of Pharmacy and the Notre Dame family!”

Each 3-1/2" x 7-1/2" paver will be personalized with your special inscription. The paver will then be placed in specially designated walkways near the School of Pharmacy.

Your donation will be credited as a contribution to the School of Pharmacy—Notre Dame Fund. This contribution will aid the School of Pharmacy in meeting the financial priorities for the current fiscal year.

“United efforts help with any undertaking, so if we join forces, I am sure much can be done for Notre Dame.”

Mary Meletia Foley, SSND,
first dean of the College of Notre Dame of Maryland
