

FAMILY AND FRIENDS HANDBOOK

Camp Notre Dame provides a summer experience for children, ages 5-11, brimming with safe, fun, and memorable activities. Area children have enjoyed swimming, arts and crafts, games, and more at Camp Notre Dame for over 30 years. Campers have fun while forming new friendships and building confidence, all under the watchful eye of our caring counselors. Our state-certified camp has an average camper to counselor ratio of 5:1 for younger campers and slightly higher for the older groups, leading to plenty of individualized attention. Campers have the opportunity to participate in a wide variety of sports activities such as softball, soccer, and other active games. Music and drama, arts and crafts, explorations, and swimming twice a day (instructional swim in the morning; free swim where camper apply learned skills in the afternoon) also make each day enjoyable and exciting at Camp Notre Dame. Along with daily rotations in their camper groups through sports and games, music and drama, swimming, explorations, and arts and games, campers participate in camp-wide activities on the first Friday of each session and a closing performance on the second Friday of each session when CND families and friends are invited to celebrate with our campers and staff the end of each session.

AGE ELIGIBILITY

Campers must be at least FIVE (5) years old and toilet trained by the beginning of the first day of the registered camp session.

Campers must not be beyond ELEVEN (11) years old on the first day of the registered camp session. It is bittersweet for us when a camper “graduates” Camp Notre Dame; however, we are not able to accept campers twelve (12) years and above due to state regulations.

HOURS OF OPERATION

Camp Notre Dame operating hours are 9:00 a.m. to 4:00 p.m., Monday through Friday, with the exception of the 4th of July holiday. Notre Dame of Maryland University and Camp Notre Dame are closed on July 5th, in observance of the July 4th holiday, and will not have campers attending on that date.

In case of emergency or other circumstance when a parent/guardian is unavoidably detained and running late to either drop off or pick up a camper, please contact CND staff on the Camp Notre Dame cell phone number, which will be distributed via email through the online registration system to all camp registrants prior to the first day of camp sessions. Camp Notre Dame administration is often times walking around campus with the campers and not available in the CND Office to answer the office phone.

CAMPER DROP-OFF AND PICK-UP POLICY

Camper Drop-Off

At no additional charge, campers may be dropped off as early as 8:00 a.m. The official time will be based on the office clock. You may want to set your watch with our clock.

Campers must be checked in by the designated camp family or friend in person on the first day (Monday) of each week in MBK Sports Complex, Lower Level by the MBK Gymnasium. During this time, all forms and information for each camper will be verified. Camp families and friends dropping off campers must sign in their camper in on the appropriate sign-in sheet that will be separated by camper groups.

Do not leave your child in the hallway or on University property unsupervised.

After the first day of the two-week camp session, CND families and friends dropping off their campers in the morning will have the option of utilizing the Drop-Off CND Zone, which will be located outside on the MBK Sports Complex Circle. This will allow CND families and friends to pull up in their vehicles by the front steps and drop off their camper(s) to Camp staff after signing them in, allowing time for busy mornings to and from work. An NDMU Public Safety officer will be present to aid in navigating vehicles through this area in the mornings. NOTE: CND families and friends will not be able to park in the MBK Circle. If you plan on walking your camper(s) into the MBK Gym, we would request that you park in designated visitor parking in other areas on campus.

Early Morning Drop-Off Fees

Due to a smaller camp program and budget restrictions due to the COVID pandemic, CND will not be offering early morning drop off for 2021.

Camper Pick-Up

At no additional charge, campers may be picked up from 4 p.m. until as late as 5:00 p.m.

Campers may be picked up inside the MBK Sports Complex Gymnasium during this time. Please remember to sign out your camper(s) with the appointed Camp Notre Dame staff member. All authorized adults (18 and above) must be listed on the authorized release and consent form and must present a photo ID every day when picking up the camper(s). Camper(s) will not be released to someone not listed nor to someone who does not present a photo ID at time of pick-up.

Due to parking restrictions, fire code, licensing regulations, and insurance policies, CND families and friends may not park in the MBK Circle or remain in the MBK Gymnasium following camper pick-up. To insure the safety of all campers and staff, please take your camper and leave within ten (10) minutes of pick-up. If you are planning on coming in longer than 10 minutes, we would ask that you park in the visitor parking located on campus (either down by the tennis courts or by Noyes House).

Late Pick-Up Fees

Due to a smaller camp program and budget restrictions due to the COVID pandemic, CND will not be offering late pick-up for 2021.

If you are unavoidably detained due to an emergency, please notify the office using the Camp Notre Dame cell phone provided to all parents and guardians prior to the two-week session. Camp Notre Dame staff is not permitted to stay beyond CND operating hours, so please make sure to make pick-up arrangements if by chance you are unable to pick-up your camper(s) by the 5:00 p.m. later pick-up time.

If your camper(s) has not been picked up by 5:00 p.m. and you have not contacted Camp Notre Dame as to your whereabouts, we will call every emergency telephone number listed on your camper(s)'s Emergency Form. If we cannot get in touch with anyone to pick up your camper, we will contact the University's Public Safety Office and file a report. Public Safety will call the Baltimore City Police and the Baltimore City Department of Social Services, Child Protective Services. Child Protective Services will come to the University and pick up your camper. When you do arrive on the University campus, you will need to go the front office in the foyer of Gibbons Hall where you may contact Public Safety and discuss plans to pick up your camper(s).

Intoxicated and/or Drugged Individual at Pick-Up

In order to protect the campers from any potential danger that could arise because of a parent/guardian/authorized person's condition and to protect the University against potential claims, it is the policy of Notre Dame of Maryland University to take all reasonable steps to avoid releasing a camper to a person in a drugged or intoxicated state. Accordingly, if, in the opinion of the Camp Notre Dame or NDMU staff present at the University, if a parent, guardian, or authorized person who arrives to transport the child home from the school is in an intoxicated or drugged condition, the Camp Notre Dame staff member will:

- a. Notify any other parent, guardian, or authorized person listed for the camper of the situation;
- b. Ask the person to leave the car at the school and take the camper home using other means of transportation home; and,
- c. Offer to call another relative, friend or taxi (at the parent's expense) to drive the person and camper.

If the parent, guardian, or authorized person insists on driving the camper, the Camp's staff member will notify Public Safety who will notify the local police department. If police officers agree that the parent, guardian, or authorized person is intoxicated or under the influence of drugs, the parent/guardian or authorized person may be charged with public intoxication and/or driving while under the influence. If a particular parent, guardian, or authorized person frequently arrives in an intoxicated or drugged state, Camp Notre Dame will not only notify the police department but also will alert other appropriate government authorities involved with the care and treatment of children.

Authorized Pick-Up Persons

Camp Notre Dame can release a camper only to the parents or legal guardian of the camper, or the individuals authorized to pick up the camper whom the parent/guardian has listed as an authorized person for pick-up. Camp staff members may require any person who arrives to pick up a camper to show identification. All persons authorized to pick up a camper must be at least eighteen (18) years old. If there is any change in legal custody of the child while the camper is enrolled in the camp session(s), the parent must immediately notify Camp Notre Dame and must provide CND administration with a certified copy of the court order confirming the change in custody. If an unauthorized person arrives to pick up a camper, the Camp staff will notify the parent immediately.

REGISTRATION

Camper registration is based on a first-come, first-served basis. Spots will not be able to be held for multiple-session registrants without submitting the registration along with required deposit.

You must register online for the sessions you wish your camper(s) to attend along with a \$125 non-refundable deposit per session via the online registration system found at www.ndm.edu/campnotredame . The \$125 non-refundable deposit is applied to the total camp session balance.

Online payments will be accepted at www.ndm.edu/campnotredame. Cash or check payments in-person will be accepted but are not the preferred payment method. If this presents an issue, please contact CND administration at campnotredame@ndm.edu.

Campers will be grouped with children of the same general age. Campers will be grouped in the following age groups: 5 year olds, 6-year olds and 7 year olds, 8 year olds and 9 year olds, and 10 year olds and 11 year olds. CND administration will do its best to honor any requests to place campers with friends prior to the start of camp. Once camp begins, no additional requests will be honored;

Due to the popularity of Camp Notre Dame, the two-week sessions cannot be separated in order to provide a well-rounded experience for all campers.

Required Registration Waivers and Forms

Registration is online available at <https://www.ndm.edu/camp-notre-dame>

Waivers *To be completed online during registration*

- a. Discount Policy
- b. Emergency Consent
- c. Photo/Model Release Form
- d. Cancellation & Refund Policy
- e. Camp Notre Dame Handbook
- f. Behavior Policy

The following forms will be uploaded as PDF's on the CND website; each form needs to be downloaded and completed and must be received by camp staff ten (10) days before the first day of the session.

- Camper Health History Form
- Policies Acknowledgment (based on the *Camp Notre Dame Family and Friends Handbook*)
- Behavior Policy Acknowledgment Form
- Medical Authorization Form, if applicable (optional)

All forms should be either mailed or emailed to Camp Administration

Email: campnotredame@ndm.edu

Mail: Camp Notre Dame

4701 N. Charles St

Baltimore, MD 21210

CAMP SESSION FEES & PAYMENT POLICY

Camp Notre Dame strives to make payment for camp sessions flexible but does require payment for an upcoming session be paid in full by the Sunday before the session start date (i.e., Session 1 begins on Monday, June 21st so any remaining balance for Session 1 should be paid by Sunday, June 18th).

If Camp Notre Dame has not received the full payment for a session's remaining balance by the third business day (Wednesday) after that session begins, your camper's enrollment in that camp session will be suspended and they will not be able to attend that session until full payment is made per our policy. Additionally, no refunds will be made for any missed dates at camp due to failed payment nor will any received payments on outstanding balances be refunded should full payment not be received within three (3) business days from the start of a camp session.

Missed or unused session days under any circumstance will not be pro-rated or refunded. This includes unforeseen and/or unplanned circumstances that force a Camp Notre Dame program or activity (i.e., pool closure) or Camp Notre Dame and/or Notre Dame of Maryland University to close (i.e., power outage). All efforts will be made to reach out to camp families and friends via the online registration's email notification system as soon as a decision has been made and/or once camp administration has been notified of the closure.

REFUND POLICY

Should your camper be unable to attend a registered camp session, we would encourage you to simply move to another session so that your camper can have the wonderful experience of summer camp. However, we understand that circumstances occur, and you may need to cancel your registration for a particular camp session.

To do so, please keep the below information in mind:

- The \$125 deposit is non-refundable nor transferable at any time unless due to a medical reason that is verified with documented explanation from a medical professional.
- If you cancel your registration within 15 to 30 days until the session start date, you will receive a full refund minus the \$125 deposit.
- If you cancel your registration within 2 weeks or less of the session start date, you will not be refunded for the registered session.
- Camp Notre Dame must be notified in writing of the intent to cancel a registration with the provided guidelines above in mind. All correspondence may be sent to campnotredame@ndm.edu.

MEDICAL REASON FOR CANCELLATION

We understand that medical issues may arise over the summer or just as your child is set to attend camp. Please call or email us at campnotredame@ndm.edu as soon as possible to notify of your need to cancel. We will ask that you provide a written excuse from a medical professional with this notification. If your camper is ill and provided there is adequate time and space in other sessions, we are willing to work with you to switch your camper to a different session.

EQUIPMENT/CLOTHING

No uniform is required for a CND summer.

Campers should wear/bring the following **DAILY**:

- Comfortable, play clothing (i.e., t-shirt and shorts) that won't matter if dirtied throughout the day
 - Due to the COVID pandemic, please send your camper with (2) two masks.
- Socks and sneakers
 - Sandals, flip flops, and Crocs are acceptable for pool time, but campers will be playing outdoors and will need to wear appropriate shoes for safety and comfort.
- Pool wear:
 - Bathing suit (suggested up to 2 on days they'll be swimming twice a day and some campers don't like to wear a wet bathing suit)
 - Towel
 - Goggles
- Tote bag or book bag
 - Campers will be carrying all of their belongings throughout the day as they journey from various locations across camp, so they will need to have a sturdy bag that they can easily carry these items.

Sports and other equipment will be provided.

Campers receive a Camp Notre Dame t-shirt during their first week of camp.

MEALS AND SNACKS

Parents/Guardians are responsible for providing **daily** lunches for their camper(s) during the two-week sessions. Lunches will be refrigerated, but Camp Notre Dame does not have facilities to heat lunches. We request that candy, gum, etc., not be brought to Camp Notre Dame. Please also make sure to write the camper's first and last name clearly on the lunch to avoid any confusion.

Camp Notre Dame is excited to offer a new \$5/day bagged lunch option for your camper! SAGE Dining will prepare bagged lunches that will be dropped off directly to your camper at lunchtime. Details can be found on the camp website: www.ndm.edu/camp-notre-dame. Parents/Guardians have the option to sign their camper(s) up for the Lunch Bunch! bagged lunch program, prepared and provided by SAGE Dining, our onsite food service provider. An email will be sent out with sign up information prior to the start of the first session.

Camp Notre Dame provides a snack daily at the close of the camp day. It is critical that any food allergies be noted on the online registration system and Camp Notre Dame administration is made aware prior to the first day of the two-week session. Substitute items must be provided by the parent (i.e., soymilk) as CND is not able to provide specialized snacks although efforts will be made as best as possible to provide any needed accommodations pending availability of camp access to specialized snacks.

BIRTHDAY TREATS

Due to the wide variety of possible food allergies among campers, we will not accept perishable food items for a birthday celebration. If you wish to provide a treat for the camper's group, we request that it be a non-food item, such as cards, crayons, bouncy balls, etc.

SWIMMER EVALUATION

Swimming is held in Notre Dame's indoor pool once a day (twice one per week). The instructional swimming program is conducted under the sponsorship of certified American Red Cross lifeguards. Recreational swimming is where campers utilize the learned skills from that morning.

At the beginning of every session, all campers are tested on their swimming abilities. They are then put into various levels for swim lessons according to their swim abilities. Campers are placed into levels set forth by the Camp Notre Dame swim instruction program. Copies of your camper's swimming level will be sent home along with techniques for home-use to continue your camper's swimming capabilities.

Campers are put into swim groups with a max of 10 children to one instructor. Swimmers who need improvement on their swimming skills are prohibited from swimming in the deep end and are restricted to shallow water. CND utilizes pool platforms in the shallow in to provide a comfortable learning environment for smaller campers who might not be able to touch the bottom of the pool as well. All campers who have passed the deep water test will be identified with colored wrist bands. A camper's swimming progress will be noted weekly.

PARKING & SAFETY

Parking on campus is very limited. Parking will be available in the Noyes House lot only if your parking time is expected to be 10 minutes. This allows all the ability to park safely. While Notre Dame of Maryland University has an excellent reputation for safety, it is still not advisable to leave your car unlocked or to leave siblings unattended in the car.

If parking time will be over 10 minutes, Camp Notre Dame asks that vehicles be parked in the general visitor parking lot by the tennis courts.

Please note the suggested parking spaces on the map found at www.ndm.edu/campnotredame.

BEHAVIOR POLICY

CND Camper Behavior Philosophy

At Camp Notre Dame, we strive for the ideal that the child commands their own self-discipline through self-safety and those common courtesies useful in dealing with a group. If a camper is out of control, the camper is reminded to use words to handle their problems, or the camper may be asked to take a short "time out" from the situation until the camper is calmer and can handle the situation in a more socially acceptable manner.

The purpose of discipline is to teach the child correct behaviors, not to punish misbehavior. Positive reinforcement and redirecting the child's behavior are two other ways to discipline a camper. Staff members also act as role models, demonstrating socially acceptable manners and courtesies. Discipline must always be accompanied by demonstrating the expected appropriate behaviors and by a verbal explanation of how to behave the next time a similar situation arises.

The CND staff primarily uses logical and natural consequences to teach the campers self-control. Natural consequences are the result of going against the laws of nature, i.e., the camper who refuses to eat lunch gets hungry. Natural consequences don't need any interference from adults, for example, when you don't wear gloves, your hands get cold. Logical consequences are the result of going against the rules of social cooperation, e.g., if Camper A deliberately rides their tricycle into Camper B, Camper B may not want to play with Camper A, or a CND staff member may take away Camper A's tricycle-riding privileges for a while. Logical consequences meet the needs of a particular situation. They have the following qualities: 1) they express the rules of social living; 2) they are related to the misbehavior; 3) they separate the deed from the doer; 4) they are concerned with what will happen now; 5) they are given in a friendly and supportive manner; and 6) they permit choice.

Defining Bullying

What is bullying? There is a difference between play, which builds imagination, develops coordination, and teaches campers about rules and responsibility, and bullying, which is chronic, frequent behavior that has, at its core, the intention to harm and intimidate. The most obvious forms of bullying are repeated hitting, shoving, chasing, or threatening. Other forms include name-calling, teasing, telling lies, and excluding. Bullying also includes taking or destroying another camper's belongings. Bullying is very different from occasional roughhousing or behavior problems under usual circumstances. It is repeated roughness or repeated planned victimization. The intention of bullying is to cause deliberate hurt, physical or emotional, or to gain more power or control with bullying usually occurring consistently between the same campers.

While people mistakenly believe that bullying begins later in elementary school, unfortunately, it may also occur at any stage. Emergent bullying behavior is sometimes overlooked by parents, guardians, and caregivers and deemed normal social experimentation. However, when a camper believes that conflict is best resolved using threats or force, when the camper deliberately and systematically finds ways to inflict injury or harm, physically or emotionally, towards another CND camper, and maybe even laugh after doing so, there is a cause for concern. Minimizing the importance of the issue sends a message to a camper that being inconsiderate of other people's feelings is acceptable. Victims of bullying become shy, isolated, and fearful. The bully learns a false sense of their own importance and power and sets themselves up for social failure.

Expected Behavior at CND

At Camp Notre Dame, the camper's emotional and physical safety and well-being will always be the primary concern. CND staff members are in a position to prevent conflict or take steps to reduce the likelihood of problems. While we want and encourage campers to use their words to resolve their own conflicts, it is important to keep a reasonable standard of behavior in mind. CND staff members demonstrate the behavior we want the campers to imitate and emphasize that poor behavior, such as harming (physically, emotionally, etc.) others and bullying, is not acceptable at CND. CND staff members explain in simple language that bullying behaviors actually hurt others. It not only hurts the bullied camper, but also the camper doing the bullying – other campers don't want to be friends with someone who bullies them. Our goal at Camp Notre Dame is to teach, not punish. Campers who learn how to resolve conflicts, respect others, and handle frustration will refrain from bullying behavior.

At Camp Notre Dame, we are committed to a safe and civil environment for all our campers and staff, free from harassment, intimidation, and/or bullying. CND will make efforts to work with the staff, campers and their families & friends to resolve any behavior concerns to permit all CND campers and staff the opportunity to enhance and better their camp experiences.

As defined above, "harassment, intimidation, or bullying" means any intentional written, verbal, or physical act, when the intentional written, verbal, or physical act:

- Physically harms a CND camper and/or CND/University staff member or damages a camper's, staff member's, and/or University property; or,
- Has the effect of substantially interfering with a camper's camp experience and/or staff member's duties/leadership experience; or,
- Is severe, persistent, or pervasive that it creates an intimidation or threatening environment; or,
- Has the effect of substantially disrupting the orderly camp operation.

Nothing in this policy requires the affected camper/staff member to possess a characteristic that is a perceived basis for the harassment, intimidation, or bullying, or other distinguishing characteristic. Harassment, intimidation, or bullying may be exhibited in many various forms, including, but not limited to:

- Slurs
- Rumors
- Jokes
- Innuendos
- Demeaning comments
- Drawings/renderings deemed inappropriate or intimidating
- Pranks
- Gestures
- Physical attacks
- Threats; and/or,
- Other written, oral, or physical actions

"Intentional acts" refers to an individual's choice to engage in the act rather than the ultimate impact of the action(s). This policy is not intended to prohibit expression of views or perspectives, provided that the expression does not substantially disrupt the camp experience or safe, civil environment.

Many behaviors that do not rise to the level of harassment, intimidation, or bullying may still be prohibited by other policies, rules, and/or regulations. If by chance a behavior is determined as harassment, intimidation, or bullying, the following action(s) will occur immediately:

- In the judgment of the Camp Notre Dame administrators and/or staff, the camper's behavior threatens the physical or mental health of other children in Camp; i.e. throwing objects, extreme temper tantrums, destroying Camp Notre Dame and NDMU property, destroying personal property, fighting, hitting, biting, bullying, etc.
- The behavior of a camper's family member, parent, guardian, authorized pick-up person, etc., is inappropriate towards Camp staff, University staff, or other campers/camp families and friends

Camp Notre Dame reserves the right to terminate a camper's registration if the camper's behaviors threatens the physical or mental health of other camper at camp. i.e. throwing objects, extreme tempted tantrums, destroying CND and NDMU property, destroying personal property, fighting, hitting, hitting, bullying.

NOTE: If enrollment is terminated due to any behavior listed above, there will be no refund supplied for the camper's registrant.

HEALTH and SAFETY POLICIES

Illness

Camp Notre Dame cannot permit any camper who is ill with a contagious or communicable disease

to attend Camp. If, in the opinion of the Camp's staff, a camper arrives at Camp and is ill, the staff member may refuse to permit the camper to attend camp that day until the noted illness has passed. If a camper becomes ill while they are at Camp, Camp staff will immediately notify the listed emergency contact person who must pick up a sick camper as soon as possible. Any camper with a temperature of 100 degrees or above is considered too ill to attend Camp. A child sent home with a fever may not return until they have a normal temperature for at least twenty-four (24) hours.

In the event that lice are discovered, your camper **MUST** be free of live lice and all nits close to the scalp (within 1/4 inch from the scalp) in order for the camper to return to CND. Your child must be checked by CND administration before returning to camp.

Camp Notre Dame reserves the right to ask for documentation from a medical professional to permit a camper to return to Camp after an illness. Camp Notre Dame also reserves the right to terminate the camper's registration if your camper is consistently brought to Camp sick.

Administration of Medication

Camp Notre Dame personnel cannot administer any medication including over-the-counter medicine such as aspirin, cough drops, decongestant, or other non-prescription drugs, as well as prescription medicine to a camper. If medication is necessary for campers, campers will need to administer these medicines themselves under the supervision of Camp Notre Dame administrative staff. All medications will need to be kept in the Camp office along with a medication authorization form signed by the doctor.

Additionally, CND staff is not permitted to apply any topical ointment or medication (i.e. Neosporin, hydrogen peroxide, etc.).

Sunscreen

Apply sunscreen at home in the morning. Please send sunscreen labeled with your camper's full name should they need to reapply later in the day. Sunscreen will remain in the camper's bag throughout the day and will need to be applied by the camper to themselves. Please refrain from sharing sunscreens due to other campers' potential allergies.

Health Emergencies

It is critical for each camper to have a completed Emergency Form on file so that CND can contact the parent, guardian, or other authorized person in an emergency and have the child treated if necessary. Camp Notre Dame must be notified should any changes occur in the emergency contact information as well as updating the form via your CND camp registration account.

If a camper is injured or becomes seriously ill while at Camp, every effort will be made to contact the parent, guardian, or other listed authorized person. In all cases involving serious illness or injury, Camp Administration will contact the listed parties who will then be informed of the hospital location should transportation be required as deemed necessary by Baltimore City emergency staff or University Public Safety staff.

Camp Notre Dame does not provide medical insurance. Parent(s)/Guardian(s) are responsible for any/all medical expenses incurred for their camper(s) while at camp.

At least four Camp Notre Dame staff members are certified in CPR and First Aid in the event of

an emergency.

PROCEDURES for SUSPECTED CHILD ABUSE CASES

Camp Notre Dame is required by law to report evidence or suspicion of child abuse or neglect. Persons found guilty of failure to report abuse are subject to a fine.

WEATHER POLICIES

CODE ORANGE AND CODE RED

On any day where the possibility of a Code Orange and/or Code Red may be mandated, the Camp Administration will track the weather situation. In the event a code is issued, all outdoor activities will cease.

EMERGENCY and NATURAL DISASTER PLAN

In the event of an emergency that would require the closing of Camp, the Camp Notre Dame personnel shall call, text, and email persons listed on the Contact and Consent Form to pick up their campers.

Along with a Camp roster, an emergency information directory, containing all necessary phone numbers, is kept in the Camp office. All Camp Notre Dame campers will participate in safety drills, such as a fire drill, administered by Notre Dame of Maryland University Public Safety staff at the beginning of each two-week sessions of Camp. This will allow the campers to become familiar with University protocols and procedures in the event of an emergency on campus.

POLICY CHANGES

Notre Dame of Maryland University and Camp Notre Dame reserve the right to change any policy stated herein. Written notification of any change will be posted at least one week prior to the implementation of any change in policy.

What to Expect: Prepping for Camp

- **COVID-19 Event Waiver Form:** www.ndm.edu/content/covid19-event-waiver-form
 - o All attendees, campers and non-NDMU staff, will be required to fill and submit a COVID19 Event Waiver Form. Form must be submitted prior to the first day of the camp program
- **Daily Symptom Checker:**
 - o Guardians and parents of campers will have to complete the daily self-symptom checker form (on behalf of their camper(s)) prior to arrival on campus, and show green approval confirmation to camp staff at drop off
- **Masks:**
 - o All campers will be required to provide their own face coverings for the camp day. Camp Notre Dame staff will have an inventory of masks for those that forget or lose their masks.

What to Expect: The Camper Experience

- **Social distancing will be maintained as much as possible**, both indoors and outdoors: Group sizes will be smaller this year, and groups will not co-mingle with other groups. We will not allow sharing of food or drink and there will be minimal sharing of equipment.
- **PPE will be required and available:** CND staff will have a stock of masks, hand sanitizer will be provided at all group rotations. Masks will be worn at ALL times while on campus, except while eating/drinking or in the swimming pool
- **Pick Up & Drop Off:**
 - o A staggered, no-contact camper drop off and pick up will be designed.
 - o Parents and guardians will be required to wait outside the building; they will check in with designated camp staff and sign in or out their camper
 - o Upon drop off: parents will have to show camp staff green approved symptom checker they filled out for their camper(s)
 - o Camp staff will radio camp group leader to have the camper escorted to or from the pick up/ drop off location
- **Program Schedule Adjustments:**
 - o Groups with an active daily schedule may need to make appropriate adjustments to stagger meal times, expand room usage, or use more outdoor space to keep attendees from gathering in large groups.
 - o PLEASE NOTE: Camp Notre Dame will NOT be offering an in-person end-of-camp performance for families and guardians this summer, to minimize large gatherings.
- **Lunchtime:**
 - o Campers may bring their own bagged lunch to camp each day. CND will provide refrigerator space to keep lunches at cold temperature.
 - o Campers may also participate in the Lunch Bunch! This program will provide a bagged lunch from SAGE Dining Services. These will be packed and delivered by the SAGE Dining team.

Response and Management of COVID-19 for Camp

- **Cleaning Procedure**

- Specialty counselors will clean/disinfect their area between camper groups.
- We will clean, sanitize, and disinfect frequently touched surfaces (for example, playground equipment, door handles, sink handles) or shared items multiple times per day and between use.
- The Drinking fountain has been closed and is not available for use at this time, only bottled drinking water will be made available to children and staff.
- Ensure safe and correct application of disinfectants and keep products away from children.
- Ensure that ventilation systems operate properly and increase circulation of outdoor air as much as possible by opening windows and doors, using fans, and other methods. We will not open windows and doors if doing so poses a safety or health risk (for example, allowing pollens in or exacerbating asthma symptoms) to children using the facility.
- Each indoor space – including restrooms - will be cleaned at the end of each day by the ABM custodial team.

- **Monitoring**

- **Parents and guardians are required to keep campers home that are sick or displaying any symptoms.** Campers should not be sent to camp while experiencing symptoms, even if they are given fever reducing medication or medication to prevent or tamper symptoms.
- Proper hand washing will be reviewed and frequently encouraged, as well as covering coughs and sneezes
- Camp staff will also be self-monitoring any symptoms,
- Any camper that starts to display symptoms during the camp day will be taken to a designated location on campus for monitoring and safe isolation with a face covering on until a parent or guardian can arrange for safe transportation home or to a healthcare facility.

- **Exposure**

- Any camper with symptoms will be required to stay home until a negative COVID-19 test is received
- A camper who tests positive for COVID-19 and has symptoms will need to be fever free for at least three days, symptom free and complete quarantine period for recommended amount of time per CDC guidelines, or present a negative COVID-19 test before returning to campus.
 - Fellow campers in group of a camper who tests positive will have legal guardians and parents informed. Campers will need to quarantine or present a negative COVID-19 test before returning to camp, per CDC guidelines.
- Parents or guardian of a camper who tests positive or may have been exposed should immediately notify camp staff so proper steps can be taken.
 - If a positive case was in attendance at camp, parents or guardians of campers in the same group will be notified so proper self-isolation can take place and COVID-19 tests can be administered
 - Proper documentation from a healthcare provider that the camper is clear to return to camp must be given to camp staff upon return
 - Camp staff will close off any on-campus areas used by any sick person and not use that space again until it has been sanitized

- NDMU will notify local health officials, staff, and families immediately of any possible case of COVID-19 while maintaining confidentiality as required by the Americans with Disabilities Act (ADA) and CDC Best Practices for Contact Tracing.

COVID19 Exposure & Registration Fees

If a camper is exposed to COVID-19 **at Camp Notre Dame by another camper or camp staff**, the camper(s)' legal guardians will be notified and camper will have to quarantine for recommended period of time per CDC guidelines, or until a negative COVID-19 test is received.

- **If the COVID-19 exposure happens during the first week of a session**, camp families will be given the option of a one week credit to enroll their camper in a different session of Camp Notre Dame (session 4 families could use that one week credit towards Summer 2022 camp enrollment).
- **If the COVID-19 exposure happens during the second week of a camp session**, we will be unable to offer refunds or switch camper to a different session of Camp Notre Dame.
- *No refunds will be given for missed camp days due to COVID-19 exposure.*

If a camper is exposed to COVID-19 **outside of camp by someone in their household or someone they were in close contact with** (as defined by the CDC), the camp family is expected to notify Camp Notre Dame staff within 24 hours and that camper will have to quarantine for the recommended period of time per the CDC guidelines, or until a negative COVID-19 test is received.

- **If CND staff is notified 5 or more days** prior to the start of the session the camper is enrolled in, camp families will be given the option of a two week credit to enroll their camper in a different session of Camp Notre Dame. (session 4 families could use that one week credit towards Summer 2022 camp enrollment).
- **If the COVID-19 exposure happens during the first week of a session**, camp families will be given the option of a one week credit to enroll their camper in a different session of Camp Notre Dame (session 4 families could use that one week credit towards Summer 2022 camp enrollment).
- **If the COVID-19 exposure happens during the second week of a camp session**, we will be unable to offer refunds or switch camper to a different session of Camp Notre Dame.
- *No refunds will be given for missed camp days due to COVID-19 exposure.*
