An Independent Study or project is a serious commitment by a student under the direction of a faculty member to explore a topic or area not covered in a course taught at the college. Independent Study courses may only be taken by a student with Junior or Senior status. The student, in consultation with the faculty supervisor, will determine the number of credits to be earned in the course. The awarding of one credit requires a minimum of 15 hours of work in the course.

Bring this completed form to the Registrar's Office with the Registration or Drop/Add form. The Registrar will assign a course number.
