

MAKE YOUR VOICE HEARD AND SHARE YOUR IDEAS FOR WOW-BALTIMORE 2018

Come to a Thinkin to plan the festival with us! Thinkins are inclusive planning sessions open to women and men throughout the area so that WOW Baltimore is developed BY Baltimore, FOR Baltimore.

Register for free today at wow-baltimore.org! Snacks and light refreshments will be provided.

WHAT IS WOW?

WOW Baltimore is part of a global movement of festivals that celebrate the achievements of women and girls and also look at the remaining gender equality obstacles women face across the world.

Topics range from feminism and fashion, careers and motherhood, domestic violence, race, sex, relationships and more!
